SPECIAL JOURNAL BINDING OFFER

The Journal has arranged with Publishers' Authorized Bindery Service to provide readers who desire the service a bound volume of the Journal at the end of each volume year without the need for the reader to collect his Journals and send them to the bindery. The binding is the best grade black washable buckram imprinted with your name on cover. This means you can cut and clip your Journal and still have a bound volume for your library. This service is only very little more than the normal cost for binding a year's issues of the Journal. For $6.60 you will receive postpaid the complete scientific and editorial matter published in 12 issues of the Journal.

This offer can be made to only those who order this service in advance, as the necessary Journal issues will have to be reserved for binding at the time the Journal is printed.

Please fill out the coupon below and return to the Journal office, 3301–16th Street, N.W., Washington, D. C., 20010.

Before April 20, 1966

Reservation Order for Bound Journals, Vol. 56, 1966

Please reserve one buckram bound volume of the twelve 1966 issues of the Journal of the American Podiatry Association. I enclose check in the amount of $6.60 for each bound volume ordered with my name imprinted in gold on the front cover, postpaid.
